G2ESD2024
Green Energy, Environment and Sustainable Development

University hotel Weihai, China September 27-29, 2024

https://g2esd.net

Conference Introduction

G2ESD2024 was co-sponsored by China University of Petroleum and Environment and Engineering Technology Development and Innovation Society(ETDIS). The conference will be held at University hotel Weihai, Weihai, China during September 27-29, 2024.

It aims to provide an ideal platform for environmental engineers and researchers to present their works and share experiences and ideas in green energy with experts and scholars from around the world. Demonstration of innovative achievements and promotion of new technologies in Green Energy, Environment and Sustainable Development are the themes of G2ESD 2024.

The conference program will feature keynote and plenary sessions, oral and poster presentations. The distinguished speaker will be invited to deliver keynote speeches and invited talks on emerging technologies in Green Energy, Environment and Sustainable Development. Attendees will have the opportunity to interface with experts from all related fields. Prospective authors are invited to submit their papers in English. Interested parties without papers are also invited to participate as attendees at the conference as listeners.

Parts of Technical Committee Member

Fabrizio Ambrosino, Department of Mathematics and Physics, University of Campania "Luigi Vanvitelli", Caserta-Italy
Gihan Suresh Aluvihara, Department of Chemical and Process Engineering, University of Peradeniya, Sri Lanka
Yanhong Jiang, Xiamen University of Technology, China
Lei Jin, Xiamen University of Technology, China
Wongkot WONGSAPAI, Chiang Mai University, Thaliland
Jinli Xu, Wuhan University of Technology of China, China

Call for Keynote Speakers

If you are interested in making a keynote speech at G2ESD, please send your latest CV to us g2esd@g2esd.net

Requirements

A professor or got doctorate
Your research area must be relevant to the conference: green energy, environment, and sustainable development.
The content of the speech needs to be entirely forward-looking and innovative.
Experience in keynote speech at other conferences.

Benefits

Free of charge to attend the conference, including accommodation during the conference and all sessions, but not including round-trip air tickets.
Free of charge to publish one article in proceedings.
To meet scholars from different countries who share the same related fields of your research.
To gain relevant research experience and potential collaboration opportunities.
Be a potential candidate for the TPC Chair for the next conference

Publication and Indexing

2-3 reviewers will review each submission, and the accepted papers after registrationas well we presentation will be published in conference proceedings, which will besubmitted to Ei Compendex and Scopus for index and submitted to be reviewed byClarivate Analytics Conference Proceedings Citation Index (ISI Web of Science)

Call for Paper and Topics

Green Energy
Eco-design and Eco-efficiency
Energy Chemical Engineering
Green Energy Equipment
Green Energy Markets
Green Energy Materials
Environment Science
Environmental Analysis and Monitoring
Environmental Chemistry and Biology
Environmental Engineering
Environmental Impact Assessment
Environmental Materials
Sustainable Development
Game Theory and Strategic Behaviour in Environmental Policies
Geographic Information and Remote Sensing Science
Soil and Water Conservation and Desertification Control
Biomass and Bio-based Products
Clean Production Process

Submission Method and Instruction

1. Language
English is the official language of the conference. Therefore, the paper should be written and presented only in English.
2. Full paper (Publication & Presentation)
Full paper submission is required if you consider publishing your paper and presentation at G2ESD.
3. Abstract (Presentation Only)
You can submit an abstract if you only consider making a presentation at G2ESD 2024 without paper publication.
4. Welcome to submit online
https://www.hcconf.tech/submission/g2esd-24
Should you have any questions, please get in touch with us

Important Dates

Submission Deadline: June 10, 2024
Notification Date: June 20, 2024
Camera Ready Date: August 10, 2024
